

# Annual Competition 2010 Overview and Results

I would sincerely like to thank all those who helped with the setup of this year's exhibition, those who entered the competition and supplied articles for display and those who manned the exhibition while it was on. It is not possible to run an event like this without support from members and I hope in future years, we see an increasing number of club supporters.

Despite the inclement weather at the opening and for most of the first week, visitor numbers were not far short of previous years, however, total competition entries were down slightly.

The 2010 competition received 155 entries from 40 members. We have a total of four judges to cover all the sections and on occasions, a judge may mark harder than others. Consequently, this year, some sections did not have winners in Advanced or Intermediate as the points awarded were not high enough to meet the criteria for placings. I have made recommendations to the committee to instigate a system which would overcome the situation of having a judge who marks low so that future competitions may have places awarded.

As I have decided to hand over the reins for running future exhibitions, please don't hesitate to contact the committee if you would like to run the exhibition next year or participate on the exhibition sub committee.

Congratulation to all winners

Jenee Molyneux

## **Trevor Peters Award for Excellence**

The winner this year is Ivan Medew.

### **Section 2 – Bowl or platter over 200mm**

<b>ADVANCED</b>	
<b>1st</b>	Ivan Medew
